Vol 2898 PG 199

Geary, husband and wife, by deed dated June 18, 1980, and recorded in the Mercer County Clerk's Office on July 9, 1980 in deed book 2136 page 995.

This property is conveyed subject to the following restrictions, which restrictions are made a part of this Instrument and shall attach to and run with the land. The party of the second part, by the acceptance of this deed, agrees to include the same in all deeds or conveyances, he shall make for the whole or any part of this property, and also agrees to insert in such conveyance or conveyances a clause that the same restrictions shall be included in all future conveyances:

1. No lot fronting on either Washington Road or the New Brunswick Turnpike shall be sold or conveyed unless such lot has a frontage of at least one hundred and twenty-five feet.
2. No lot on any other part of said tract shall be sold or conveyed unless such lot has a frontage of one hundred feet.
3. Only single dwelling houses shall be erected on any of the lots into which this tract may be divided; and not more than one house shall be built upon each one-hundred and twenty-five feet frontage on Washington Road or the New Brunswick Turnpike; and not more than one house shall be built upon each one hundred feet of frontage on any other part of the tract.
4. No house shall be built upon this tract the cost of which shall be less than \$7,000.00.
5. No house shall be built on this tract the foundation of which is less than 60 feet from the frontage line of any lot, and each house shall be built entirely within the side lines of each lot.
6. No building for business or commercial purposes of any description, shall be erected on any portion of this tract, nor shall any portion of the tract be used for business or commercial purposes of any kind.
7. No cow house, hog-pen, bone-boiling establishment, or unlawful contrivance of any character, shall be permitted to be erected or located on this tract, and no intoxicating liquor shall ever be sold or publicly given away on said premises.
8. No fences shall be erected on the frontage line of this tract except such fences be of living shrubs.
9. No old houses, or parts thereof, shall be removed on said premises for the purpose of transforming them into residences.
10. One story garages, limited in capacity to two cars, will be permitted to be erected on the rear of lots, but shall

not be nearer than one-hundred feet from the front property line.

A specific exception to these restrictions is made for the benefit of the Penns Neck Community Club, now proposed and to be erected by them. This refers to any land purchased by the said club and having a frontage either on Washington Road or the New Brunswick Turnpike; In case a building be erected, and no longer needed by it for Club purposes, it shall not be sold, together with the land on which the same is erected except for residential purposes.

The lands and premises herein conveyed was surveyed by Princeton Jct. Engineering Co. (Bryce M. Rittenhouse) in June 1980 and the description in the same in accordance therewith is as follows:

BEGINNING at an iron pipe in the Northeast line of Varsity Avenue bearing South 34 degrees 59 minutes 30 seconds East 186.93 feet from a concrete monument at the intersection of said Northeast line and the Southeast line of the Trenton-New Brunswick Turnpike (U.S. Route #1) and running thence

(1) along lands of now or formerly Kern K. N. Chang and partly along lands of now or formerly Julius C. Wildermuth North 55 degrees 34 minutes 30 seconds East 200.06 feet to an iron pipe; thence

(2) along lands now or formerly of Carolyn Mahan South 34 degrees 59 minutes 30 seconds East 120.00 feet; thence

(3) along lands of now or formerly John C. Phillips South 55 degrees 00 minutes 30 seconds West 200.00 feet to an iron pipe in the Northeast line of Varsity Avenue; thence

(4) along the Northeast line of Varsity Avenue North 34 degrees 59 minutes 30 seconds West 115.00 feet to the Place of Beginning.

The difference between the two distances in the above two descriptions results from the widening of the Trenton-New Brunswick Turnpike (U.S. Route #1) from 66 feet to 100 feet.

BEING under and subject to an existing first mortgage of record, which Grantee assumes and agrees to pay.

Promises by Grantor. The Grantor promises that the Grantor has done no act to encumber the property. This promise is called a "covenant as to grantor's acts" (N.J.S.A. 46:4-6) This promise means that the Grantor has not allowed anyone else to obtain any legal rights which affect the property (such as by making a

mortgage or allowing a judgment to be entered against the Grantor).

Signatures. The Grantor signs this Deed as of the date at the top of the first page.
